CAMP INFORMATION

CAMP STAFF AND FORMAT

STAFF : Head Coach Danny Wallace, GHS assistant coaches and former players at Georgetown High School will instruct during the camp. Local scouts and college coaches may also be available for instruction.

Philosophy : The camps are designed to teach fundamentals of baseball, individual skills and teams skills.

Format : Campers will be taught the fundamentals of play at different positions. Each camper will be grouped with players of equal ability in order to promote safety and confidence. There will be instruction in infield, outfield, catching, pitching and hitting. During each of the 3 day camps we will end the day with a game to teach team play.

What to bring : Campers will need to bring a glove and are encouraged to have baseball pants and a hat. Bringing your own bat or other playing gear is also strongly encouraged.

Camp Fee : \$150 . Make checks payable to GISD and send to: Coach Wallace, - 2211 N. Austin Avenue, Georgetown, Texas 78626

TEAM DISCOUNTS

We will be offering team discounts to GYBA baseball teams. For any of the camps if a GYBA team of at least eight members enrolls - we will offer \$10 off each players fee. While at the camp the coaches and staff will work with these teams as a group on team defense and offense. We encourage those teams to come in uniform and improve each day!! A team representative will need to sign up the members as a group to get the discount.

INCOMING 7TH – 9TH GRADE CAMP

June 9th through 13th we will have a camp for all incoming junior high athletes and freshmen. This camp will be used to teach fundamentals and team skills but will also be used to prepare the athletes for high school baseball. Coming to this camp gives players a chance to meet the high school coaches and get instruction before their freshman year. It is a great opportunity for young players to prepare for the future.

EAGLE BASEBALL CAMPS

SPRING BREAK

During the three day session all campers will get the chance to learn all skills involved with playing baseball. Campers will work on hitting skills, defensive position work and pitching. During this

camp we will end the day with team play so that all areas of the game are being introduced.

PITCHERS/CATCHERS

During pitchers/catchers work each player will get the chance to specialize his development. Fundamentals will be taught from the very basic to how to create movement on pitches and how to set up as a catcher and improve your throwing to the bases. All aspects of the two positions will be covered and players will be allowed to work on both if they have that interest.

HITTING

A complete camp on hitting. We will not leave anything uncovered during this camp. Hitters will start with the very basic grip and work to the complex of being able to hit the ball to all fields and hit all pitches.
